Remarks	: <ol style="list-style-type: none"> 1. Participants can visit the official website: www.kiesicup.com on 2 April 2026 to view the groupings, latest information, and competition instructions. 2. The tournament will only use the official WhatsApp no. 9367-9349 to contact contestants. Participants are advised to save this number in their mobile phone contacts to prevent scams. 3. The venue opens for check-in 30 minutes before the start of competition. Participants who arrive more than 10 minutes late after the start of a game will be considered forfeiting. 4. The organizers reserve the right to merge groups, split groups, and increase the number of rounds based on the number of participants. 5. For some groups or tables, a chess clock may be used, and arbiters have the right to use it based on the actual competition situation. 6. Arbiters have the right to stop abnormal moves that unreasonably consume the opponent's time. The Competition Committee has the final decision-making authority, and participants may not object. 7. Participants are prohibited from using electronic devices during the game. Anyone found violating this rule may have their competition qualifications revoked. 8. Cheating, including "collusion" or "use of AI," is strictly prohibited. If discovered, the participant will be disqualified from the competition. ° 9. Participants are expected to take good care of public property. The organizers reserve the right to seek compensation for any damage caused to competition materials or venues properties. 10. If any participant disrupts the order of the competition and causes the event to be unable to continue, the organizer has the right to immediately disqualify the participant, and the fees will not be refunded. 11. The competition venue does not have a dining area and eating is prohibited (except for drinking water). Contestants should plan their schedules accordingly. 12. Any contestant found to have falsified their information will be disqualified. 13. Once the registration fee is paid, it is non-refundable and cannot be used for future or other competitions or transferred to another person. 14. For any inquiries, please WhatsApp the official line at +852 9367-9349. 		

Venue Introduction:

To provide participants with a high-quality and comfortable competition environment, the competition will continue to be held at the Hong Kong Science Park and the Hong Kong Youth Chess Academy^ this year, maintaining the record for the largest single indoor space for local school chess competitions.

Hong Kong Science Park – Located in Sha Tin, the park is best known for its comfortable waterfront promenade and the distinctive "Golden Egg" (Charles K. Kao Auditorium) structure. The Science Park is conveniently located, just a 10-minute journey via public transport from either Sha Tin or University MTR stations, and offers over 1,500 parking spaces for drivers. Additionally, the park features more than 40 different types of dining establishments, providing a convenient dining experience for contestants and their accompanying parents. The comprehensive facilities are sure to provide a delightful and memorable chess competition experience for all participants.

^ Senior College & University group's competitions will be held at the Hong Kong Youth Chess Academy.

5 - 6	5	5	5	5.5 - 7	5
4	4	4	4	4.5 - 5	4
3	3	3	3	3.5 - 4	3
2	2	2	2	2.5 - 3	2
0 - 1	1	0 - 1	1	0 - 2	1

"Best Girl Chess Player" (Primary School Groups)

Purpose : The "Best Girl Chess Player" award is established to encourage more girl players to participate in the competition and demonstrate their skills.

System : The award will be given to the best-performing girl player in seven groups

Seven groups: Go(Junior, Middle & Senior), XiangQi and Chess(Junior and Senior).

The calculation method for the award is based on comparing the "Total Score" and the "Opponent Score."

"Special Commendation Award" (Preschool Group)

Purpose : The "Special Commendation Award" is established to recognize participants who have displayed good attitude during the competition.

System : The referee and coaching team will select one award recipient in each Preschool group based on the students' performance and attitude.

Procedure for Applying for Certificates

To support environmental protection, participants can visit the competition website www.kiesicup.com between 8 April 2026 and 19 April 2026, to fill in the required information for applying for participation certificates or ranking certificates. Late applications will not be accepted.

Applicants can collect the certificates from the selected branch of the Hong Kong China Chess School on or after 22 May 2026.
